

Jr. College Officers

Two Year College Work For High Grads

Vocational Classes For Adults Here

"Palm Beach County Junior College is prepared to offer in the Glades two years of course in required general education, with certificates acceptable by any major college or University, as well as classes for adults in technical and vocational subjects," Dr. Paul Graham told some 75 persons at the annual BPW's Banquet Monday night.

"Your Junior College is a part of Palm Beach County's educational system and is by no means an experimental unit, taking as it was begun in 1933 with its prototype in Joliet, Ill. I have been started in 1932. This is the smallest community we know of that has the facilities of a Junior College available in what is known as an extension service, for as you know, we must drive out from the Campus for these classes."

Dr. Graham, aided by President Harold C. Maynor told his audience that "we are prepared to work through you and with you for this expansion, and want you to make the decision as to how far we will go, instead of leaving the decision to us. We want you to act as an information source to local folks, and are always at your calls if you need help."

Establishing any post-high school preparatory for completion of any major course, including university entails only the physical setup of the plant and facilities, and of course securing the proper number of students enrolled.

The visitors told of a suggestion which provides for the use of the Glades to Junior College in West Palm Beach, if that is the desire of the public, and is agreed to by the County School Board.

A proposed schedule of classes was discussed to begin the fall semester which would include required and elective subjects.

Practical Politics Prevail Pertinently

In Permission Of C & S FCD For Roads

Central and South Florida Flood Control District has come up with permission and even a suggestion that a regulation that maintained along the Miami Canal dike berm for the benefit of the public in a rarely displayed attitude of that body towards the public.

Great consternation was displayed when Glades proponents of the overall Flood Control District in '48 that dikes to be built be designated as State highway rights-of-way. The exigencies of political considerations delayed the insistence of this program, but time is solving the problem.

County Commissioners this week are planning an inspection of possible road facilities which if completed would add some 200 square miles of Glades farmland.

The Central and South Florida Flood Control, in a letter to the commission, offered the board the use of an area located between the Miami River and the canal dike, as an access road to the new farm's responsibility in the building.

Multitudinas Activitinas Epidemic

Disrupts Belle Glade Jr.-Sr. High

A majority of the student body at Belle Glade Junior-Senior High School have been stricken by an outbreak of spring fever complicated by a number of spring activities. This combination has produced a list of symptoms common only to this particular time of the year.

Faculty members were given several weeks warning as to the trend of things to come when the spring activities calendar was released. It is hoped that the existing condition will run its course and the return to school period will bring to light no permanent ill effects.

The cause of this yearly malady has been diagnosed as "multitudinas activitinas" which is common to all institutions of Learning during the closing year.

Parents, teachers, and friends are asked to exhibit extreme caution and wish (though usually unheeded) counsel in dealing with victims of the disease. The infectious stages are highly contagious but most recover by the age of nineteen years (?) a certain degree of immunity.

Listed below are most of the more prominent symptoms with the grade level at which they are most likely to occur and can be anticipated. Also, the approximate time of expectation of the "crucial" stages is given.

- May 8, 10 - Registration for 1961 - All students.
- May 12 - Dedicatory Cooperative Education Banquet - Juniors and Seniors.
- May 13 - State Track Meet at Gainesville.

Brotherly Love And Fairness Shine

By Absence In Split The Lake Efforts

Legislators of neighboring counties have left their halo of honest convictions, enthusiastic support of brotherly love and fairness at the home-town church door to be sanctimoniously retrieved and worn when they get back from the legislature, as they entertain the idea of, propose and ask the Legislature.

When Do We Begin

Wed. Closing??

I. L. wants to know just when a majority of the merchants and business houses want to begin the Wednesday afternoon closings.

The Chamber of Commerce has sent out more than 200 letters asking for an expression by phone or letter, and to date only six have responded.

Secretary Dave, answering this letter doesn't have any bearing on your membership dues, paid or unpaid, nor expressed with any other obligations other than those expressed.

Of course, if you owe the Chamber dues, he wouldn't return your check if you included it with your letter telling him to return it.

The Chamber's trying to coordinate community action.

Student Visitors To Tallahassee

The following students accompanied by Mr. Eugene Wilson and Mrs. Peter LaChance visited the state capital in Tallahassee last week: Anna Marie LaChance, Mary Mathewson, Penny Connelly, Penny Carlson, Barbara Stone, Tyra Lee, Richard Chappell, Michael Berryhill, Martin Buss and John Kelling.

The group arrived Wednesday afternoon for registration. The tour began with a visit to the Capitol Building, where winding up reservations for visiting students on the campus.

The next day was spent visiting the Capitol Building and other points of interest in Tallahassee. A considerable amount of time was spent observing the House and Senate along with several community meetings.

Belle Glade County representative, Mr. Ernest Roberts welcomed the group and explained many functions of the legislature.

The Belle Glade Lions Club sponsors this trip each year the legislature is in session.

USDAers Hear

Fishier On Trip

Don Fishier was the envy of the USDA Club members at his regular luncheon meeting, May 10, at the Community Building, Canal Point, when he presented an outline of his trip to Colombia, one of the United States' closest Latin American friends.

Mr. Fishier, leader, Cordage Fibers Investigations, Everglades Experiment Station, who has an assignment for the International Cooperation Administration in Colombia last year, discussed various aspects of the economic and political of the South American neighbor.

He dwelt at some length on the fishing contracts to be seen between the old and the new. This was aptly illustrated by excellent kodachrome slides showing modern automobiles, trucks and buses side-by-side with hand-carts and horse-drawn wagons.

The contrast of the old and new was also apparent in the various architectural forms shown in the slides. The skyline of the city, Bogota (where the man saw the year-round is 65 degree the temperature), with its ultra-modern of buildings and apartments, houses, contrasted sharply with older parts of the city marked with the imprints of the Spaniards and conquistadors.

The beauty of the scenery of Colombia was adequately illustrated by Mr. Fishier. The lofty mountains of the Great Andes cordillera, which pass through Colombia as well as other countries in the west coast of South America, provided the usual quota of grand vistas, forests,

Sugar Is Softening

Even Our Roads!!

County Commissioner Paul Rardin, Canal Point, warned the county board this week that unless action is taken to get the state to resurface a section of SR 700, the highway will be impassable within a year.

Rardin's warning was sounded at a special meeting of the Commission this week, when he told the board that the new State Road Department budget did not include retreading of the Glades road from the intersection of SR 700 and SR 717 for a distance of seven miles east.

The project had been put in preliminary budgets but was deleted from the final list of Palm Beach County projects in the State Road Board budget.

Commissioner Rardin said the "sugar boom" in the Glades has caused a step up in traffic over the road and that continued use in the roads present condition will eventually make the highway impassable.

The board joined the Glades Commission in its instruction to County Engineer Steve Middleton, to contact the State Road Board immediately with a request that the budget be reconsidered and the Glades road project put back on the list of work projects.

Lanier Heads

Drive For Boy Scout Fund

R. W. (Bob) Lanier has been appointed by the Gulfstream Council, B. S. A. to head the 1961 fund drive of the Boy Scouts of America.

The organization's committee consists of Mr. Lanier, Guy Good and Victor Green. Sections of majors and captains will be in charge of the drive.

The citizens of Belle Glade are asked to be generous in this giving year so that the drive will yield sufficient funds, along with those from Clewiston, Okeechobee and Indian, to permit planning a field excursion in this area full time.

The organizing committee asks the public to consider the excellent contributions of the scout movement to Americanism, the prevention of juvenile delinquency.

The public is reminded that scouting is organized on a council basis. The Glades District of the Council comprises parts of the counties of St. Lucie, Indian River and Okeechobee counties.

The Council camp is near Jupiter, where camps from seven counties may set up camp.

All money collected within the council is used within the council to develop scouting, to improve campsites, to help pay the salaries of professional scouts, and to train volunteer scouts at local level who serve without pay. The combined gifts of all persons throughout the United States help train the scouts.

There were "Choices" in slaughtering calves and "goods" in several classifications.

895 Cattle, \$81,407.45, 63 percent of the total to slaughter, 27 percent to stocker; 29 percent of the run was cows, 87 percent of these went to slaughter.

Slaughter: Steers 53, Heifers 33, Calves 278, Cows 182, Bulls 20.

Stocking: Steers 146, Heifers 35, Calves 107, Cows 27, Bulls 14.

City Manager Anderson says, in answer to a question that a building permit allowing the existing codes and regulations, including parking area necessary," he says.

The petition was submitted with 18 names, but has not yet reached the Commission officially.

The petition indicates that the signers do not like the appearance of the building, "would attract undesirable tenants, a fire and hurricane hazard, will affect insurance rates, and defeat the progress trend of improved safety and sanitary housing."

They don't like anything about the deal, but appear to be a bit late in the protest.

National Guard

News

Cpl. Roland Todd and PFC. Inspector George Phillips, Indian Reservation to present a recruitment program at the Reunion Headquarters. As a result of this program Willie Gopher, Jr. and Texas Tiger have enlisted in the guard. They will go for six months active duty soon.

On May 1, this month has its annual inspection. Gen. Phillips, Col. Mouchet from Ft. McPherson, Ga. Actual results of the inspection have not been received, but the unit was commended by the inspector before departing.

This unit will go to the firing range in West Palm Beach on June 4 to qualify with their carbines.

Boy Scouts Would Correct Glades Lack Of Interest!

Bob Lanier, center has gathered a group of interested citizens who will conduct a campaign to raise the assigned quota for local participation in Boy Scout work, under the Gulf Stream Council.

On Bob's left, is Doc Victor Green, and right is Guy Wood. From row shows Milton Burro, Dick Murray, Bob Lanier, Charlie Goodlett, Sam Lovell, Herb Chagnon, Robert M. Hooker and Marvin Smith.

Soldiers Serving In British Africa

Studied "Aid To Scouting" Handbook

Howard Campbell, Gulf Stream Council Finance Chairman and Executive Board Member gave Rotarians Friday a lesson in the history of the scouting movement in the United States, stating that it was brought to us by Robert Baden Powell in 1910.

"Aid to Scouting" as originally written by Powell for his English soldiers was later incorporated into the Boy Scout of America Movement. "In America Today" the speaker said, there are five million scouts learning moral character as well as methods of survival and at the same time adventure.

"With crime and juvenile delinquency at a high level," what kind of children are we going to leave our country," said Mr. Campbell. "Scouting teaches young boys a sense of responsibility to their country and fellow men."

Lawrence E. Will To

Speak At Ft. Pierce

Lawrence E. Will, Everglades pioneer and historian and author of the recently published "Okeechobee County" will be guest speaker at a supper meeting of the St. Lucie Historical Okeechobee County.

His talk will be on "Pogey Corn," colorful former sheriff of Okeechobee County.

Will's dramatic presentation of the life and adventures of this remarkable character of Lake Okeechobee's early development, recently given at a recent meeting of the Florida Historical Society, was so well received, that he has been asked to repeat it for the benefit of the St. Lucie County society.

Altar Society Installs Officers

In an impressive ceremony at the home of Mrs. Madeline Roberts new officers for the coming year were installed with Mrs. Imogene Fontaine in charge of proceedings and Father Penich officiating.

Installed were Mrs. Madeline Roberts, president; Mrs. Bertha LaChance, vice president; Mrs. Reta Hotard, treasurer; Mrs. Genevieve Boyd, secretary.

Outgoing officers were each presented with corsages and a gift. They were commended on their outstanding work while in office. Father Fenech gave an inspiring talk on the greatness of women, down through the ages quoting from the Holy Bible.

Refreshments were served following the installation by Mrs. Roberts and Mrs. Mary Lou Bowen, hostesses.

A brief business session was held and it was announced the Altar society will resume its regular meetings in September at their adjourn for the summer months.

Local Group Attends Officers WSCS School

Officers Training School for the Woman's Society of Christian Service was held at the First Methodist Church in Boynton Beach.

Mrs. N. T. Taylor, district social relations chairman, had charge of the workshop.

Others attending were Mrs. R. V. Allison, Mrs. R. W. Kidd, Mrs. W. R. Hooker, Mrs. M. M. Sabiston, Mrs. George P. Farnall and Mrs. H. C. Post.

Baptist Juniors Have Swimming Party-Picnic

Forty-five boys and girls of the Junior Department 1-2 of First Baptist Church, five guests and seven workers attended a swimming party recently at the Municipal Pool. Following the swim party they had a picnic at the Park. Fun and fellowship was enjoyed by all.

Ann Murray Named On Council Of EYF

The 1981 Spring Rally of the Presbytery of the Everglades Youth Fellowship was held at the Riviera Methodist Church in Miami. The theme for the Rally was "Sharing the Faith." Approximately 300 young people were in attendance.

The spiritual highlight of the Rally was the Vesper Service with Dr. Ivan Hoy as speaker. Dr. Hoy's message was "Sharing the Faith."

During the Vesper service, the council for the coming year was installed. The Senior High Fellowship of the Everglades Presbyterian Church, Belle Glade, was happy and honored to have its vice president and program chairman, Ann Murray, daughter of Mr. and Mrs. Richard Murray, appointed to serve as Outreach chairman on the Council for the coming year.

Miss Murray will attend the Area Youth Leadership School in Valdosta, Ga., for one week during the summer.

Other members of the local senior fellowship attending the Rally were Dennis Alford, Mary Mathewson, Margaret Hortensine, Claudia Ludlow, Danny Stanley, Richard Murray and Dr. and Mrs. Charles Hortensine, adult advisors.

A business meeting was called by the moderator, Marilyn Kaufman and at this time officers were elected for the coming year.

The group divided into 30 different vocation groups, with outstanding laymen and women serving as the presbytery leading the classes. The class discussion topic was "Serving Christ Through My Vocation." Immediately following the class period, dinner was served on the church grounds.

Dr. Di Stefano is retiring, Sunday, May 21st will be his last service in the church. He and Mrs. Di Stefano will leave Monday for Syracuse, N. Y., where they will spend the summer with their daughter, Mrs. Wilford Addison and family.

Dr. Di Stefano has been pastor at Lake Harbor Methodist Church for more than eleven years. He is well known around the lake and his friends are many. The Di Stefanos have worked faithfully through the years and will be missed very much. Lake Harbor will not be the same, but everyone wishes for them many pleasant and happy years in their retirement.

The congregation hopes they will come back and see us often.

TODAY'S meditation

Read Acts 2:1-7

Ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth. (Acts 1:8)

Pentecost was a revelation. High and lifted up, the Lord set aflame the faith of the disciples. They rejoiced in their salvation, in receiving the power that Christ had promised.

God wrought salvation in their midst. They beheld others filled with the Spirit. Men turned from their sin and iniquity to accept Christ as Lord and Savior. The gospel of redemption was preached, and men believed and were saved.

Our generation too, is in need of the Holy Spirit to set faith aflame and to move men out of self to the throne of grace. We need the gospel message with power to bring a new revival in our midst, to inspire us to witness to Christ's saving grace. Is not Christ the same yesterday, today and forever? When our faith is set aflame, the world surely knows our witness.

PRAYER: Our Father, how great and gracious Thou art. Thy love and mercy extending even unto us. Make us new creatures in Christ Jesus - filled with the Holy Spirit and with the message of love for all the world. In Jesus' name. Amen.

THOUGHT FOR THE DAY

Faith set aflame sends us forth as witnesses.

AT YOUR CHEVY DEALER'S

Truck Roundup!

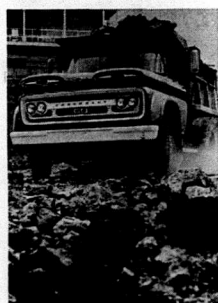

The famous Thriftmaster 6 does the saving as standard equipment in this Fleetside model. For V8 power, you can choose the Trademaster V8, optional at extra cost.

Here to talk up Chevy's big savings roundup is Western star Roy Rogers! "They tell me it's the best time of all to put your brand on a hard-working, easy-riding I.F.S. truck. You'll find a full corral to pick from—each built and priced to save you plenty."

■ Roy's laying it right on the line, letting you in on the best time to buy and the best place to save! That goes for whatever model you need, too . . . from pickups to tandems. And with Chevy's I.F.S. (Independent Front Suspension) soaking up road shock and vibration, your Chevrolet stays young, protects the load better, works faster. You make more money. And who can offer you anything better than that? Just see your dealer—soon.

Chevy's hefty 261-cu.-in. Johnmaster 6 is a big reason for the outstanding popularity of Series 600 middleweights.

Belle Glade Graden Club Seats New Officers

MRS. J. P. HALBROOK, JR. (center) new president of Belle Glade Graden Club accepts gavel from outgoing president, Mrs. Victor Mulberg, following installation of officers for the new year. Mrs. James Kerwin, of West Palm Beach, director of District 10, Florida Federation of Garden Clubs, left of the president, was guest speaker and installing officer. Other officers seated were (l-r) Mrs. Richard Hodges, treasurer; Mrs. Josephine Hayes, proxy for Mrs. Ruth Beck, corres. sec.; far right, Mrs. R. E. Watson. Recording sec., and publicity.

Belle Glade Graden Club officers for 1960-61 were installed May 11 at a luncheon held at Jameson Hall, and catered by the Woman's Society of Christian Service of Community Methodist Church with the Araminta Circle in charge.

Tables for the luncheon were decorated with green foliage and colorful hibiscus by Mrs. Irvin Zump, chairman of the hostess committee, Mrs. Glenn Smith and Mrs. W. Howard. Mrs. Lee D. Rustin returned thanks.

Mrs. Ivan Van Horn, introduced the guest speaker, Mrs. James Kerwin of West Palm Beach, district 10 director of the Florida Federation of Garden Clubs. An impressive and lovely installation service was used by Mrs. Kerwin in installing the officers with a beautiful vase, which was presented to each one to keep. A corsage was also presented to each officer as she was seated.

Mrs. Victor Mulberg, president, presided over the business meeting and presented a president's pin to the incoming president Mrs. Halbrook. Announcement was made the district meeting will be conducted in West Palm Beach at the Court House November 15.

Mrs. J. P. Browne, gave an interesting talk about the early days, when the Graden Club was organized in Belle Glade.

In appreciation of outstanding work for the club, Mrs. Halbrook presented Mrs. Van Horn, Mrs. Kerwin and Mrs. Mulberg each with a lovely white milk glass vase.

The final meeting of the year will be a sandwich luncheon and swimming party at the home of Mrs. C. J. Aspey on June 8.

Guests present were Mrs. William Jeffries, South Bay, Mrs. S. B. Cowart, Mrs. Luther Jones, Mrs. W. L. Cunningham, Jr., Mrs. Harry McIntosh and Mrs. Otto Blech, Pahokee, Mrs. Paul

Schoenfeld, Mrs. Gloria Smith, Chaperones assisting were Mrs. Jess Livingston, Robert J. Allen, Mrs. Clarence Kilder and Mrs. E. A. Barney.

"Every Month We're Reminded \$\$-Wise That Cigarettes Are Not All Waste"

We don't know what percentage of the total amount spent for education in Belle Glade bears to the total spent for cigarettes, but it must be a large size percentage, for Belle Glade gets \$22.25, its share of the cigarette tax for the month of April.

The State of Florida gets South Bay gets \$1,831, Pahokee half that amount.

So, our residents continue to "smoke up a fog" of \$22.25 to tax benefit of everyone here.

South Bay gets \$1,831, Pahokee half that amount.

Your Library

Limited horizons are dangerous to a free people. Be grateful that you live in a society based on freedom to read. The word has played a vital role in man's progress. Reading is essential to our national survival. Visit and make use of Your Library.

In memory of the war between the states - "The Great Civil War" we offer the excellent novel, *The Hundred Hills*, by Howard Breslin. It is a romantic novel about the siege of Vicksburg, the Gibraltar of the Confederacy. It is both an exciting love story and a dramatic portrayal of a crucial turning point in the war itself.

The Secret of the Kingdom by Mika Waltari, author of the Egyptian. Against a background of the strife-torn land of Judea, two thousand years ago, Mika Waltari has written what is certainly his most important novel. It is a story of a long time past, yet it deals with a theme as modern as today. The delirium of modern man and his culture in gaining and retaining a faith. Marcus an educated Roman stands alone on the borderline of two worlds, feeling he belongs to neither, and it becomes vital to him to find "The Way, the Kingdom" to gain knowledge and certainty, not merely belief. This is not a tale, or a novel, but a truly inspired "Book." Wonderful reading! By Ruth Clemans, library board.

4-H Sr. Girls Records To Be Judged May 19

A County record judging will be held at 1:00 p.m. on Friday, May 19 at the Mounts Agricultural Building, 531 North Military Trail, West Palm Beach, for all of the senior girls. All girls' 4-H Club Leaders are encouraged to attend this meeting to choose the county medal winners in each project. There are approximately 60 county medals available in the girls' project awards, 30 for the senior girls and 30 for the junior girls. These county medals will be presented in the fall at the Awards Night.

The county record judging for junior girls will be held later on in the summer.

The records for senior girls (14 years or older) are being judged earlier this year because these girls who do well in their projects will be chosen for State Girls' Course at Tallahassee in June.

Ross Spears Named Mr. Woodman 1960

Ross Spears was chosen woodman for 1960 at a barbecue held by Woodmen their families and friends at the Country Club Saturday night with about 75 attending.

Belle Glade Doctors To Attend Convention

Florida's physicians will convene in Bal Harbour May 25-28 for the 87th annual meeting of the Florida Medical Association. It was announced by Dr. Leo M. Wachtel of Jacksonville, association president.

Belle Glade will be represented at the convention by Dr. J. Allen Baker, of Belle Glade Medical Center and other doctors expecting to attend some of the sessions will be Dr. Roy Brown, Dr. James Gray and Dr. Hoke Shirley, all of Glades Medical Clinic.

The four-day convention of the state's 4,200 member doctors will include scientific assemblies, exhibits and films, sessions of ancillary state organizations and medical specialty groups and meetings of the association's policy making body, the House of Delegates.

Among prominent speakers to address the physicians will be Dr. E. Vincent Askey, president of the American Medical Association and Sen. George A. Smathers (D-Fla.).

Nationally known medical authorities appearing on the program includes Drs. Oscar Creech, Jr., and John Adriani of Tulane University School of Medicine, New Orleans; Charles A. Owen, Jr., of Mayo Clinic, Rochester, Minn.; Harold W. Dargson of Cornell University Medical College, New York; and Robert S. Hotchkiss of New York University College of Medicine, New York.

Headquarters hotel will be the Americana.

Over 2500 Slated To Attend Lions State Convention

Tampa is going to the Lions, to coin a new version of an old saying, with over 2500 state Lions Club members scheduled to open their annual state meeting here Thursday, May 25. Attending from the Belle Glade Lions Club will be President Bunn McCall and Ben Geiger, tall twister.

Ernie Plitz, Tampa chairman of the convention, said advanced registration has hit 2700 and there is a possibility that upwards of 3,000 Lions and wives will attend the convention.

The Hillsboro Hotel will be the convention headquarters, but all available space in the other large downtown hotels is being turned over for housing the conventioners.

Tampa Lions Clubs have laid out elaborate plans for the convention, including operation of welcome stations on major routes leading into the city.

The welcome stations will be manned by Lions from the Brandon, North Tampa, Palma Ceia and DeSoto Park Clubs. Orange juice will be served to visiting Lions at the gayly decorated rest stations and give convention goers a chance to rest and freshen up while waiting on the last leg of their trip.

Tampa Lions also are distributing colorful welcome posters to Tampa merchants for display in their shop windows.
